Subject: PSUSD - Effective Hours of Operation

In light of recent events surrounding COVID-19, and at the direction of Riverside County Officials, our District has implemented changes to our normal hours of operation.

Effective Thursday, March 19, 2020, the hours of operation for the collection of Developer School Fees will be 8:00 a.m. to 12:00 p.m. In order to pay school fees, developers will need to schedule an appointment with Fiscal Services Director, Peter VanBuskirk, by calling (530)518-4551 prior to their arrival at the District Office. Please note our hours are subject to change on short notice.

We will do our best to return phone calls and emails in a timely manner, based on the significance of the request. Please refer to our District website at psusd.us for further information and updates.

Thank you,

Lesley Murray
